Parking

During the Conference

OSU parking rules are strictly enforced. Conference participants should request single day permits (\$3 per day, payable by check upon arrival) on the conference registration form. These permits will be available at the conference check-in table.

While not recommended for use during this event, there are a limited number of 1-hour parking meters in front of the Drake Center. The current rate is 25 cents per 15 minutes.

Accessibility

Handicapped Access

There is handicapped parking in the metered area as well as the parking lots near the Drake Center. An OSU parking permit is required for all parking spaces, including the disability spots. Be sure to request single day permits (\$3 per day, payable by check upon arrival) when completing the registration form.

Although all of the main entrances to the Drake are handicapped accessible the easiest access to the Department of Theatre is through the ground floor north entrance (closest to the stadium). There is a sidewalk ramp and door openers at this entrance. Enter the building and proceed to the elevator on the right. Take the elevator to the first floor and turn right. The lobby is straight ahead.
