

The Department of Theatre provides small grants to support the research and scholarship of current graduate students pursuing a MA, MFA or PhD in Theatre.

FUNDS

Funding for Graduate Research Support in the Department of Theatre comes from two sources:

1. **John C. Morrow Memorial Fund:** Established June 12, 1980, by his students, colleagues and friends. Income provides research/travel grants for graduate students in the Department of Theatre.
2. **Aida Cannarsa Snow Endowment Fund:** Established February 7, 2003, from her estate through The Foundation. Income provides need-based scholarships to undergraduates/graduates with a major or specialized interest in the Departments of Art, Art Education, History of Art, Theatre or Dance.

TIMELINE

All Applications for Graduate Research Support are due on the following schedule:

Autumn Deadline: 1st Monday in October for events from June 1 - February 28

Spring Deadline: 1st Monday in February for events from October 1 - June 30

DISBURSEMENT

All awards will be disbursed as a scholarship unless other arrangements are made with the Department Manager. Awards may be made for both future events and retroactively for events that have already occurred within the funding period. Retroactive funding is not guaranteed, but applying after-the-fact will not factor into the committee's review of the proposal.

If students are not able to accept funds as a scholarship, they must meet with the Department Manager in advance in order to set up a T-number and ensure your project complies with the University's [Travel Policy](#). Awards disbursed as travel funds may only be used for future projects.

APPLICATION AND REVIEW PROCESS

Applications must be signed by the advisor to be considered complete. Completed applications should be submitted online at theatre.osu.edu/gradstudies/research by 5pm on the application deadline.

Following the deadline, a faculty committee will consider all applications. Award amounts are dependent on the number of qualified applications and available funding. Once award decisions have been made, the Academic Program Coordinator will notify applicant of committee's decision.

All awardees will be required to submit a short final report and photo following within 30 days following the project or event. Students who fail to complete the final report may not be eligible for future funding support and current research funding may be rescinded.
