GE Requirements

The current GE requirements apply to students beginning their careers as regularly enrolled college students in Autumn Semester 2012 (some of these students may have earned more than 45 hours of transfer credit completed while they were enrolled in high school); and to transfer students admitted to the university for Autumn Semester 2012, who have earned fewer than 45 hours of transfer credit. All other students should refer to the “transition GEC requirements.”

Rules Pertaining to Grades

- Students must earn a C- or above for any course counted in the major.
- The minimum cumulative grade point average for the courses in the major program is 2.25.
- Students must earn a D or above for any GE course.
- Course taken on a pass/non-pass or S/U basis cannot be used to fulfill GE requirements.

Rules Pertaining to Credits-to-Graduation

Students need 121 semester credit hours to graduate with a BA in Theatre. That number includes:

- 43 semester credit hours in the major program (excluding Theatre 2100)
- 100 credits outside the Theatre Department (2000-level theatre courses count here)
- 18 other credits from inside or outside the Theatre Department

Within the total 121 credits:

- Students must have completed the Arts and Sciences General Education Courses.
- Students must have completed all requirements for the Major in Theatre.
- Students must have earned at least 30 semester hours of credit in courses numbered 2000 or above.

Rules Pertaining to Overlaps in the GE and the Theatre Major

In general, major courses may not be used to meet requirements in the GE.

- For theatre majors, there is one exception to that rule: students may double-count Theatre 2100 as the GE Visual and Performing Arts Requirement AND as the prerequisite for the theatre major.
- Students can overlap Diversity courses with another GE category or the major.

Exceptions to the Standard Theatre Major Program

If a student's major program deviates from the standard major program, the exception(s) must be approved by the Curriculum and Instruction Committee in the Department of Theatre through the process of petitioning. Petition forms and procedures can be obtained from the Director of Undergraduate Studies in the Department. If approved, the exception(s) will be noted on the student's electronic Degree Audit Report.
